PGA JUNIOR LEAGUE

2019 Season includes: Practices, 6-7 Interclub matches, All-Star Team + Post-Season Play

Program Objective:

The PGA Junior League is developmental program designed to socialize boys and girls, ages 9-13, to the game of golf. Players learn to play in a fun and competitive environment while competing with a partner in head to head matches. The matches are played using a less stressful scramble format, as opposed to individual stroke-play competition. This is a great way to get kids involved in playing the game! Golfers should have clinic or private lesson experience, be able to advance the ball and carry their own clubs. Golfers will practice as a team and compete against other clubs in our area.

FEE: \$230 per golfer
